

IRON TURNER CHALLENGE 2018

January: Baby, it's Cold Outside

- What better way to celebrate winter than building a Snowman or Snowlady.

February: Mardi Gras

- Make some music by turning a musical instrument.

March: What's Cookin'?

- Winter makes me long for "feel good" foods. So make something you will use in your kitchen.

April: Round Off Your Skills

- Turn a freeform spherical box. Circular jig cutting devices are not allowed.

May: Beads of Courage

- Support the American Association of Woodturners by creating a beautiful bowl for Beads of Courage. Your donation will help a child tell their story.

June: Hollow it Out

- Try your hand at a hollow form. If this is new to you, do it in two pieces first.

HAPPY 4th OF JULY

August: Finial It

- Finish off that hollow form with a finial lid.

September: Let's Go Crazy!!!

- Offset turn a vase, Christmas tree, bottle stopper, candle holder, or whatever fits your fancy.

October: Beware of a Witch and Poison Fruit

- Choose a fruit (apple, pear, etc.) and make it creepy!

November: Tis the Season

- Get into the Holiday Spirit... it's time for the ornament exchange! Turn an ornament for display and receive a chance to choose one of your friends' ornaments for your own.
